HELP US GROW Backyard Soiree 2023

Dear supporters of Bellaire High School,

On Saturday, April 29, 2023, the Bellaire High School Parent Teacher Organization (BHS PTO), will host our first auction, HELP US GROW Backyard Soiree. We hope that you will support our school and donate to the auction!

Bellaire High School (BHS) serves a highly diverse population of over 3,000 students from zoned and Magnet families in Bellaire, Meyerland, Braes Heights, and the greater Houston metropolitan area. BHS is one of the finest high schools with rigorous academics and robust extra-curricular programs in HISD because of the strong school leadership and community partnership.

By partnering with parents and businesses in our community, BHS PTO raises funds for teacher grants, student summer scholarships, curriculum enrichment, teacher development, classroom support, technology upgrade, and facility enhancement. As the construction of our new building is nearing completion, we are actively fundraising to bridge the school budget shortfalls.

Your donation to HELP US GROW Backyard Soiree Auction will allow us to support:

- School Safety – to acquire a golf cart to patrol the newly built parking garage and campus
- Team Transportation – to supplement bus transportation needs for our student teams

Please consider donating items, services, gift certificates, unique opportunities, or sponsoring a portion of the evening. Donors receive recognition in the auction program, on the BHS PTO website, and on the event signage. We would be honored for you to include BHS in your marketing and community outreach efforts. These families live in your neighborhood, shop in your stores, and support your community.

To donate, please complete the enclosed donor form or visit [bellairepto.org](http://bellairepto.org) to submit your donation form online. Should you have any questions or need additional information, please contact Judy Cheng at [president@bellairepto.org](mailto:president@bellairepto.org).

The children, parents, and staff of Bellaire High School thank you in advance for your generous support.

Sincerely,

Judy Cheng  
BHS PTO President
